---------------------------------------	----	------------------------------------	----

Why are you running an MGEC office?

I've seen all the great things the MGEC has been doing and I want to take a more active role and be part of those efforts. I want to look out for fellow members, improve communication between MGEC and its members, and also help to make sure the State of Minnesota remains a great place to work.

Additional information you want to share with members:

I've worked for the State of Minnesota since 1990 and I've been a member of MGEC since 2001, and I would be honored to represent its members.
