Why are you running for an MGEC office?

I believe it is very important to improve or working conditions, wages, benefits, retirement, and to be able to provide the best service to Minnesota travelers of all modes.

Additional information you want to share with members:

In my family my wife stays at home with our three children of ages 4, 6 and 12. I am deeply concerned of the plight of the single earner working families of being fairly compensated with decent health benefits to provide a great upbringing to the next generation. Our children will

replace us, and we have to make sure that we can afford good education, health care and a clean environment for them.
