Why are you running an MGEC office?

*I have enjoyed working for you over the past few years and would like to continue representing you to the Legislature and to the State Agencies. With your help, I will continue contributing to the great work MGEC has done, in bargaining, helping with member issues, and working with the Agencies to hear and better respond to our needs.*

Additional information you want to share with members:

*During my time on the Board, I have been active on the MGEC Legislative Committee where we met with MnDOT Management regarding the Taxpayer Accountability Act and had the opportunity to meet with Legislators at the capitol complex regarding our two position papers, Flexible Funding and Performance Based Transportation Funding. I have also been involved with the MGEC Finance and Member Issue Advocacy Committees.*
