Why are you running an MGEC office? *To assist our union members in representation and pay equity. To be a voice and advocate for public sector work as it relates to internal, external, and political pressures for privatization of that work. To provide a professional link/voice regarding the concerns of our union members back to Management*

Additional information you want to share with members: *I have learned much in my previous role as MGEC President and can use that experience to better serve MGEC in the future. I've been involved with contract negotiations; I've had discussions with elected officials and helped changed the statute regarding Taxpayer Transportation Accountability Act.*
